ASSIGNMENT (P846)

For good and valuable consideration, receipt of which is hereby acknowledged, I, **David Baszucki** do hereby sell, assign and transfer unto **Roblox Corporation,** (having its principal place of business at **60 E 3rd Avenue, Suite 201, San Mateo, CA 94401,** hereinafter called the "Assignee"), its successors and assigns, the entire world-wide title, interest and right, including the right of priority controlled by me, in, to and under Letters Patent of the United States, the patent application, docket number **P846**, entitled "**System for Creating and Operating Three-Dimensional Vehicles from Pre-Constructed Parts**", which bears application serial number 12/949,041, filed 11/18/2010, ("I hereby authorize and request the agent of record, Donald R. Boys of Central Coast Patent Agency, Inc. 3 Hangar Way, Suite D, Watsonville, CA 95076, to insert above the serial number and filing date of said application when known") and the invention and any of them therein set forth and described, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefore based on the original application for said U.S. Letters Patent, and all divisions, reissues, substitutions, continuations, and extensions thereof which may be granted relating thereto in any country; **and**

For the above consideration I agree promptly upon request of the Assignee, its successors or assigns, to execute and deliver without further compensation any power of attorney, assignment, application, whether original, continuation, divisional or reissue, or other papers which may be necessary or desirable fully to secure to the Assignee, its successors and assigns, the inventions and any of them, described in said application and all patent rights therein, in the United States and in any country foreign thereto, and to cooperate and assist in the prosecution of appeal and interference proceedings involving said inventions and in the adjudication or re-examination of said Letters Patent provided the expenses which may be incurred by me in lending such cooperation and assistance be paid by the Assignee.

For the additional consideration of one dollar ($1), receipt of which is hereby acknowledged, I, **David Baszucki** do hereby sell, assign and transfer unto **Roblox Corporation,** any residual rights, including all moral rights, related to the patent application, docket number **P846**, entitled **"System for Creating and Operating Three-Dimensional Vehicles from Pre-Constructed Parts"**, which bears application serial number 12/949,041, filed 11/18/2010 ("I hereby authorize and request the agent of record, Donald R. Boys of Central Coast Patent Agency, Inc. 3 Hangar Way, Suite D, Watsonville, CA 95076, to insert above the serial number and filing date of said application when known") the invention and any of them therein set forth and described, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefore based on the original application for said U.S. Letters Patent, and all divisions, reissues, substitutions, continuations, and extensions thereof which may be granted relating thereto in any country.
