ASSIGNMENT

WHEREAS, We, 1) Portascience Incorporated of 1 Whittendale, Suite E, Moorestown, New Jersey 08057, USA, hereinafter referred to as Assignor, have owned a new and useful invention entitled "Method and Device for Clotting Time Assay," hereinafter referred to as the Invention, for which a United States Letters Patent has been issued on 07/06/2004 by **Patent No. 6759009.**

WHEREAS, IBI Technologies, L.P., a California Limited Partnership of 2100 Reservoir Street, Pomona, CA 91766, USA, hereinafter referred to as Assignees, are desirous of acquiring the entire right, title and interest in and to the same in the United States;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, We, Assignors, by these presents do sell, assign and transfer unto said Assignee, the entire right, title, and interest in and to said Invention and application throughout the United States of America, including any and all Letters of Patent granted on any division, continuation, continuation-in-part and reissue of said application.

Also, Assignor hereby agrees to execute any documents that legally may be required in connection with the filing, prosecution and maintenance of said application or any other patent application(s) in the United States for said Invention, including additional documents that may be required to affirm the rights of Assignee in and to said Invention, all without further consideration. Assignor also agrees, without further consideration and at Assignee's expense, to identify and communicate to Assignee at Assignee's request documents and information concerning the Invention that are within Assignor's possession or control, and to provide further assurances and testimony on behalf of Assignee that lawfully may be required of Assignor in respect of the prosecution, maintenance and defense of any patent application or patent encompassed within the terms of this instrument. Assignor's obligations under this instrument shall extend to Assignor's heirs, executors, administrators and other legal representatives.

Also, Assignor hereby authorizes and requests the Commissioner for Patents to issue any and all Letters Patent referred above to Assignee, as the Assignee of the entire right, title and interest in and to the same, for Assignee's sole use and behoof ; and for the use and behoof of Assignee's legal representatives and successors, to the full end of the term for which such Letters of Patent may be granted, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made.
