ASSIGNMENT

WHEREAS, Thomas D. East, IV, Jeffrey R. Anderson, and Ernest B. Page have made an invention or discovery entitled "SERVO LUNG SIMULATOR AND RELATED CONTROL METHOD" which is described and claimed in the PCT patent application Serial No. PCT/US96/15687, filed September 30, 1996, which claims priority to U.S. Provisional Patent Application Serial No. 08/536,399 filed September 29, 1995; and

WHEREAS, IHC Health Services, Inc., a Utah corporation, is desirous of acquiring all my rights, title and interest in said invention or discovery:

NOW, THEREFORE, in return for good and valuable consideration, receipt of which is hereby acknowledged, I by these presents do sell, assign, and transfer unto IHC Health Services, Inc., all my rights, title and interest in and to the following: (1) said invention or discovery as described in said PCT application, (2) said PCT application, (3) any national patent applications based on said PCT application, (4) any letters Patent issuing from said PCT or national applications, and (4) all intellectual property (including patent rights, trade secrets and copyrights) in or to said invention or discovery. Said assignment is without any geographic limitation and shall include the United States of America and all foreign countries. All my rights, title and interest in said invention or discovery, said applications, any Letters Patent issuing from said applications and said intellectual property are to be held and enjoyed by IHC Health Services, Inc. for its own use and behalf, and for that of its legal representatives and assigns, as fully and entirely as the same would have been held by me had this assignment and sale not been made. IHC Health Services, Inc. shall be free to assign, license or otherwise exploit said invention or discovery, said applications, any Letters Patent issuing from said applications, and said intellectual property.

AND I do further agree to sign all papers, make all rightful oaths and do all requisite acts for the filing of any disclaimer or for the filing and assignment of any other application (including divisional, continuing, reissue, and U.S. or foreign national applications) based on the present application or said invention or discovery. Any such other application is deemed to be part of the above assignment.

AND I do further agree to communicate to IHC Health Services, Inc., its successors, assigns or other legal representatives, such facts relating to said invention as may be known to me, and to testify as to such facts in any prosecution, interference or litigation.
