SOLE ASSIGNMENT

WHEREAS, (1) Larry N. Reynard, (2) Marcey Collins, and (3) Richard B. Hatch
residing at (1) 9333 Covington Woods Court, Fort Wayne, Indiana 46804; (2) 2810 Northgate Boulevard, Fort
Wayne, Indiana 46835; and (3) 5304 W. Hamilton Road, Fort Wayne, Indiana 46804 (hereinafter referred to
as ASSIGNORS)

have invented a new design shown in NAVISTAR Docket No. D-4766 entitled:

Low Forward Entry Truck Cab Including Attached Steps and Fenders

for which they are about to make application for Letters Patent in the United States, said application having a
Declaration and Power of Attorney executed by ASSIGNORS on the 5th day of December, 1997,
or is identified subsequent to filing in the United States Patent and Trademark Office as Serial
No. 29/ 680,467, filed 12-10, 1997; and

WHEREAS, NAVISTAR INTERNATIONAL TRANSPORTATION CORP., a corporation existing under
the laws of the State of Delaware, (hereinafter referred to as NAVISTAR) having its principal place of business
at 455 North Cityfront Plaza Drive, Chicago, Illinois 60611, by virtue of its employment of ASSIGNOR and
agreement relating thereto, has the right to require assignment to it of such design and such application; and

WHEREAS, Navistar is desirous of acquiring the entire right, title and interest in and to the aforesaid
design, said application, and any Letters Patent or industrial design registration granted thereon by the United
States of America and any foreign country;

NOW THEREFORE, in consideration of the sum of One Dollar and other valuable consideration
received by ASSIGNORS from NAVISTAR, the receipt of which is hereby acknowledged by ASSIGNORS:
ASSIGNORS do hereby sell, assign, and transfer to NAVISTAR said design, said application, divisional
applications thereof, continuation applications thereof and any and all Letters Patent or industrial design
registrations of the United States and any foreign country which may be granted therefor, and any reissue or
reissues, or extension or extensions thereof, together with the right to file applications in, and to acquire
Letters Patent or industrial design registrations in, all countries foreign to the United States in the name of
NAVISTAR or as it may direct, and to claim for such foreign applications and Letters Patent the priority date of
filing of the said International or United States application under the provisions of the Patent Cooperation
Treaty, the International Convention for the Protection of Industrial Property or the European Patent
Convention in the countries in which it applies.

ASSIGNORS hereby authorize and request the Commissioner of Patents and Trademarks to issue
any and all Letters Patent of the United States on said design or resulting from said application, or any
division or divisions or continuations thereof to NAVISTAR as assignee of the entire interest.

ASSIGNORS hereby authorize NAVISTAR to insert the dates of execution of said application and/or the serial number and filing date of the application at the appropriate place above.

ASSIGNORS do hereby warrant that they have full right to convey the entire interest herein assigned, and that they have not executed and will not execute any agreement in conflict herewith.

ASSIGNORS further covenant that they will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title to said design or any Letters Patent or industrial design registration that may be granted therefor in any country in NAVISTAR, and that if NAVISTAR desires to secure a division, reissue, reexamination, or renewal of any such Letters Patent, that a disclaimer relating thereto should be filed, or make application for a corresponding patent or industrial design registration in any foreign country, that they will, upon request, sign all papers, make all rightful oaths, and do all lawful acts requisite for the application for such division, reissue, reexamination, or extension and the procuring thereof, or for the filing of such disclaimer or foreign patent or industrial design application without further compensation, but at the expense of NAVISTAR.

AND, ASSIGNORS do further covenant and agree that they will, at any time, upon request, communicate to NAVISTAR any facts relating to said design and Letters Patent or industrial design registration, or the history thereof known to them, and testify as to the same in interferences or other litigation when requested so to do.

This assignment shall inure to the benefit of NAVISTAR, its successors, assigns and other legal representatives, and shall be binding upon ASSIGNORS, their heirs and legal representatives.
