ASSIGNMENT

We, **KHALED MAHMUD**, citizen of the United States of America, residing at 7 Lynne Avenue, Tyngsboro, Massachusetts 01879; **MENG-JIAO WANG**, citizen of the People's Republic of China, residing at 45 North Hancock Street, Lexington, Massachusetts 02173; and **ROBERT A. FRANCIS**, citizen of Australia, residing at 41 Darby Avenue, Park Orchards, Victoria, Australia, 3114; respectively, having invented the subject matter described in U.S. Patent Application entitled "**ELASTOMERIC COMPOUNDS INCORPORATING SILICON-TREATED CARBON BLACKS**", the specification of which was filed on June 16, 1997, in the United States Patent and Trademark Office, as Serial No.08/876,903 for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, hereby sell, assign, and transfer to **Cabot Corporation**, a Delaware corporation, having a principal place of business at 75 State Street, Boston, Massachusetts 02109-1806, its successors and assigns, the entire right, title and interest in and to said application and the invention therein contained, including all priority rights ensuing therefrom, and the inventions and any of them therein set forth and described, and any and all Letters Patent of the United States of America and of countries foreign thereto which may be granted thereon or therefor, together with the right to apply for such Letters Patent and all rights in any applications therefor. We further sell, assign and transfer to **Cabot Corporation** all right, title, and interest in any and all corresponding divisional, renewal, substitute, and continuation applications, and all corresponding reexamination and reissue certificates.

We hereby represent and warrant that there are no rights or interests inconsistent with the rights and interests granted herein and that we will not execute any instrument or grant or transfer any rights or interests inconsistent with the rights and interest granted herein, and we, **KHALED MAHMUD, MENG-JIAO WANG, and ROBERT A. FRANCIS**, bind ourselves and our respective heirs, executors, administrators and legal representatives, as the case may be, to execute and deliver to **Cabot Corporation**, its successors and assigns, any further documents or instruments and do any and all further acts that may reasonably be deemed necessary by **Cabot Corporation**, to enable **Cabot Corporation**, its successors or assigns to file applications for the invention in any country where it may elect to file such applications, and that may be necessary to vest in **Cabot Corporation**, its successors and assigns, the title herein conveyed or intended so to be, and to enable such title to be recorded in the United States and foreign countries where such application or applications may be filed.

And we further covenant and agree, in consideration of the premises, that we and our respective heirs, executors, administrators and legal representatives, as the case may be, will at any time, upon request, communicate to **Cabot Corporation**, its successors and assigns, any facts relating to the invention and the improvements contained therein and the history thereof, known to

us or our respective heirs, executors, administrators and legal representatives, as the case may be, and that we will testify as to the same in any interference or other litigation when requested so to do by Cabot Corporation, its successors and assigns.

IN TESTIMONY WHEREOF, I, **KHALED MAHMUD**, have hereunto set my hand this 28th day of October, 1997.
