ASSIGNMENT

WHEREAS, I Alwin J. Stahel of 1244 Imperial Lane, New Brighton, Minnesota 55112, have invented certain new and useful improvements in DUAL ISO PEG WITH MALE MOUNT for which an application is about to be made for a Design Patent of the United States, said application having been executed on even date herewith, and which may be identified in the United States Patent and Trademark Office by Serial No. _____, filed _____; and

WHEREAS, KuryAkyn Holdings Inc. ("Assignee"), a corporation organized and existing under the laws of the State of Wisconsin, and having its principal offices at 454 Highway 35/64, Somerset, WI 54025 is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Design Patent to be obtained therefor;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable considerations to me in hand paid by said Assignee, the receipt of which is hereby acknowledged, I have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignee, its successors and assigns, my entire right, title and interest in and to said invention, said application and the Design Patent, both foreign and domestic, that may or shall issue, including all of my rights under the International Convention, and I do hereby authorize and requires that commissioner of Patents and Trademarks to issue a Design Patent to the above-mentioned assignee in accordance herewith.

I Hereby Authorize the above-mentioned assignee, its successors and assigns or anyone it may properly designate, to insert in this instrument the filing date and Serial Number of said application when ascertained.

I Further Authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for a Design Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon Said Consideration, I do hereby covenant and agree with the said assignee, its successors and assigns, that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I or my executors or administrators will at any time upon request, without further or additional consideration, but at the expense of said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for a Design Patent of the United States, or of any and all foreign countries on said invention.
