ASSIGNMENT

WHEREAS, we, Christopher A. Wiklof and Edward M. Millet (hereinafter referred to as ASSIGNORS), having post office addresses of 3531 99th Street Southeast, Everett, Washington 98208 and 4033 Northeast 205th Street, Lake Forest Park, Washington 98155, respectively, are the joint inventors of an invention entitled "METHOD AND APPARATUS FOR STORING AND READING DATA," as described and claimed in the specification forming part of a continuation-in-part application for United States letters patent executed concurrently herewith; this application is a continuation-in-part of U.S. Application No. 08/978,608, filed November 26, 1997, which application is currently pending, which was a continuation of U.S. Application No. 08/533,568, filed September 25, 1995, which application is now abandoned.

WHEREAS, Intermec Technologies Corporation (hereinafter referred to as ASSIGNEE), a corporation of the State of Washington having a place of business at 6001 36th Avenue West, Everett, Washington 98203-9280, is desirous of acquiring the entire right, title and interest in and to the invention and in and to any letters patent that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNORS hereby sell, assign and transfer unto said ASSIGNEE, the entire right, title and interest in and to said invention, said application and any and all letters patent which may be granted for said invention in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said invention, application and all letters patent on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNORS had this assignment, transfer and sale not been made. ASSIGNORS hereby authorize and request the Commissioner of Patents and Trademarks to issue all letters patent on said invention to ASSIGNEE. ASSIGNORS agree to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patent on said
