ASSIGNMENT of INVENTION

WHEREAS, I,

residing at PHILIP D. KLUG
 448 FILBERT STREET, WESTLAND, MICHIGAN 48186, USA

am the original, first and sole inventor of the inventions of the patent application for United States Patent entitled

IDENTIFICATION METHOD

the specification of which was filed on February 12th, 1998 as USSN 09/040,191 and the application for which was executed by me today, it being the only application so titled executed by me on this date, and

WHEREAS, UNISYS Corporation, a corporation of the State of Delaware having a place of business at Township Line and Union Meeting Roads, Blue Bell, Pennsylvania 19424 USA, is desirous of acquiring the entire right, title and interest in said inventions, said application and any patents which may be granted thereon;

NOW THEREFORE, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I hereby assign, sell and transfer to said Unisys Corporation, its successors and assigns (hereinafter "Assignee"), my entire right, title and interest in and to all inventions disclosed in said application, in and to said application and in and to any patents for the United States of America, its territories and possessions and all foreign countries resulting from said inventions and said patent application, including all divisions, continuations, reissues and extensions thereof, all rights to claim priority based thereon, all rights to file foreign applications on said inventions, and all patents, reissues and extensions thereof issuing for said invention in the United States of America and in any and all foreign countries.

I hereby grant to Assignee the right to apply in its own name for patents corresponding to the above inventions in countries foreign to the United States, and all priority rights resulting from the above-identified United States patent application. I hereby authorize and request the Commissioner of Patents to issue any and all patents that may be granted for said inventions to Assignee, and I agree that I and my successors, assigns or legal representatives thereof, shall be legally bound without additional compensation (except for statutory fee applicable to witnesses testifying to facts), but without cost to me:

- to promptly communicate to Assignee or its representatives, all facts known to me or in my possession respecting said inventions whenever requested;
- to testify in any legal proceedings concerning said inventions, applications or patents;
- to sign all lawful papers;
- to execute all divisional, continuing and reissue applications;

(Continued on page 2 of 2)

- to make all rightful oaths and;

- to generally aid my said Assignee, its successors and assigns as and when requested by them, in obtaining in the name of the Assignee and in enforcing proper patent protection for said inventions on behalf of Assignee, in the United States and in all countries foreign thereto.

I hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which conflicts, or which would be in conflict, with this Assignment.

Original, first and sole inventor
