## ASSIGNMENT

WHEREAS, I, PAUL M. LaCOUR, a citizen of the United States of America, residing at 7 Echo Ridge Road, Upper Saddle River, New Jersey 07458, as assignor, have invented a new and original FRAME-TYPE DESK SYSTEM, for which a U.S. patent application was filed on January 30, 1998 under Serial No. 09/016,620.

WHEREAS, LaCOUR INCORPORATED, a New Jersey corporation, having a place of business at 20 Elm Street, Suite 4, Harrington Park, New Jersey 07640, as assignee, is desirous of acquiring all right, title and interest in and to said invention, said applications and any Letters Patent that may be granted thereon or therefrom.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, as assignor, hereby sell, assign and set over to said assignee the entire right, title and interest in and for the United States of America and all other countries in and to said invention and the aforesaid applications, all original, divisional, continuation, continuation-in-part, substitute or reissue applications and patents applied for or granted therefor in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said applications and/or applications resulting therefrom to said assignee herein, as assignee of the entire interest therein; and the undersigned for him and his legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all divisional, continuation, continuation-in-part, reissue and other applications for Letters Patent on said invention and all assignments thereof to said assignee or its assigns, to communicate to said assignee or its legal representatives all facts known to the undersigned respecting said invention, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said assignee, its successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by said assignee.
