ASSIGNMENT AND AGREEMENT

(Not Accompanying Application)

FOR VALUE RECEIVED, we Ian James Stafford Gray and John Edward Simpson
hereby sell, assign and transfer to:

ITT MANUFACTURING ENTERPRISES, INC., a corporation duly organized and existing
under the laws of the State of Delaware and having its principal place of business at
1105 North Market Street, Wilmington, Delaware 19801, United States of America

as assignee, and its successors, assigns and legal representatives, the entire right, title and interest,
for all countries, in and to the inventions entitled:

CONNECTOR LOCKING MECHANISM

and to the corresponding application for Letters Patent of the United States, Serial No. 09/049,160,
filed March 26, 1998, and all the rights and privileges under any and all Letters Patent that may be
granted therefor.

We request that any and all patents for said inventions be issued to said assignee, its
successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, we will, without charge to said assignee but at its
expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable, or
convenient for securing and maintaining patents for said inventions in any and all countries and for
vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

We authorize and empower the said assignee, its successors, assigns and legal
representatives or nominees, to invoke and claim for any application for patent or other form of
protection for said inventions filed by it or them, the benefit of the right of priority provided by the
International Convention for the Protection of Industrial Property, as amended, or by any convention
which may henceforth be substituted for it, and to invoke and claim such right of priority without further
written or oral authorization from us.

We hereby consent that a copy of this assignment shall be deemed a full legal and
formal equivalent of any assignment, consent to file or like document which may be required in any
country for any purpose and more particularly in proof of the right of said assignee or nominee to
claim the aforesaid benefit of the right of priority provided by the International Convention for the
Protection of Industrial Property, as amended, or by any convention which may henceforth be
substituted for it.

We covenant with said assignee, its successors, assigns and legal representatives, that
the rights and property herein conveyed are free and clear of any encumbrance, and that we have full
right to convey the same as herein expressed.

Signed at BIRMINGHAM this 14th day of
