ASSIGNMENT

WHEREAS, Jacques GUDEFIN, a citizen of France, whose post office address is 46, rue d'Arsonval 69800 Saint Priest, France, hereinafter referred to as the ASSIGNOR, has invented a certain new, original and ornamental design relating to a

HAIR DRYER

for which he has executed, on the same date as this assignment, an application for Design Patent of the United States to be filed in the United States Patent and Trademark Office.

AND WHEREAS, CALOR S.A., a corporation organized and existing under the laws of France, whose post-office address is Place Ambroise-Courtois, 69008, Lyon, France, hereinafter known as the ASSIGNEE, is desirous of acquiring the entire right, title and interest for the United States in and to said design invention and application, including any and all divisions and continuations thereof, and any and all Design Patents which may be granted thereon, including any and all renewals, reissues, and prolongations thereof.

NOW, THIS WITNESSETH that for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt whereof is hereby acknowledged, said ASSIGNOR hereby assigns, sells and transfers to said ASSIGNEE, its assigns and legal representatives, the entire and exclusive right, title and interest in and to said design invention and application, for the United States including any and all divisions and continuations thereof, and any and all Design Patents which may be granted therefor, said ASSIGNEE and its assigns and legal representatives to have, hold, exercise and enjoy the said design invention and application, including any and all divisions and continuations thereof, and any and all Design Patents which may be granted thereon, including any and all renewals, reissues and prolongations thereof, with all the rights, powers, privileges, and advantages in any ways arising from or pertaining thereto, for and during the term or terms of any and all such Design Patents when granted, including any and all renewals, reissues, and prolongations thereof, for the use and benefit of said ASSIGNEE and its assigns and legal representatives in as ample and beneficial a manner to all intents and purposes as the said ASSIGNOR might or could have held and enjoyed the same, if this assignment had not been made.

AND said ASSIGNOR hereby agrees to execute all papers necessary to file applications in the United States for said design invention and to assign the same to said ASSIGNEE, or any assignee acquiring title to said design invention, and to execute any other papers that may be needed in connection with filing said application and securing a Design Patent thereon.

D16670/AS1 (Mc 08661 US)

AND said ASSIGNOR authorizes and requests the Commissioner of Patents to issue a Design Patent on said application, and on any and all divisions and continuations thereof, to said ASSIGNEE, its assigns and legal representatives, in accordance herewith.

IN TESTIMONY WHEREOF, this assignment is executed by said ASSIGNOR
