

A S S I G N M E N T

WHEREAS, We, Michael Montour of 303-1990 41st Ave W, Vancouver BC, V6M1Y4 and David Todd of Apt 223-350 East 2nd Ave Vancouver, BC, V5R2T3, have invented certain new and useful improvements in an ACOUSTIC TRANSDUCER WITH SELECTIVE DRIVING FORCE DISTRIBUTION, hereinafter "the invention", for which we have executed an application for LETTERS PATENT OF THE UNITED STATES, on the 21<sup>st</sup> day of May, 1998.

AND WHEREAS, Sonigistix Corporation of 201-11782 Hammersmith Way, Richmond, British Columbia V7A 5E3 Canada, hereinafter "the Assignee", is desirous of acquiring the entire right, title and interest in and to the invention and all patents issuing with respect thereto worldwide including the United States of America and its territorial possessions.

NOW, THIS INDENTURE WITNESSETH, that for and in consideration of the sum of Ninety-Nine Dollars, in hand paid to us, and other good and valuable consideration, the receipt whereof is hereby acknowledged, we have assigned, sold and transferred, and do hereby assign, sell and transfer to the Assignee the entire right, title and interest in and to the invention in the United States of America and its territorial possessions and all other countries worldwide, and in and to said application for LETTERS PATENT of the United States, and in and to all other applications for patent for the invention in all other countries, and in and to all divisions and continuations of any of the applications, and in and to any LETTERS PATENT of the United States and other countries and all reissues and extensions thereof that may be granted, and the right to apply for LETTERS PATENT in all countries with full benefit of such priorities as may now or hereafter be granted to us by local laws or by treaty, including any international convention, for the protection of industrial property, all said rights to be held and enjoyed by the Assignee for its own use and behoof, and for the use and behoof of its successors or assigns, to the full end of the respective terms for which said LETTERS PATENT and other patents may be granted, as fully and entirely as the same would have been held and enjoyed by us if this assignment sale had not been made. And we do hereby request and authorize that any and all LETTERS PATENTS, when granted, be issued in accordance with this Assignment to the Assignee.

In further consideration of said sum of Ninety-Nine Dollars, and said other good and valuable consideration, to us paid, we covenant and agree with the Assignee that we have a full and unencumbered title to the invention hereby assigned, which title we warrant unto the Assignee, and we further agree that we will, without demanding any further consideration therefor, at the request but at the expense of the Assignee, do all lawful and just acts, including the execution and acknowledgement of instruments, furnishing of information and giving of testimony, that may be or become necessary for obtaining, sustaining, or reissuing patents for the invention in the United States and other countries, and for maintaining and perfecting the Assignee's right to the invention and patents, particularly in cases of interference, infringement or other litigation.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my seal, this 21<sup>st</sup> day of May, 1998.
