ASSIGNMENT OF APPLICATION FOR UNITED STATES LETTERS PATENT

WHEREAS Advanced ElecComm Products, Inc.
500 Nickerson Road, Marlborough, MA 01752, U.S.A.

hereinafter referred to collectively as the assignor, is the current owner of record, by virtue of an Assignment filed in the U.S. Patent and Trademark Office on April 14, 1998, of a United States patent application to a certain improvement relating to

SMART CARD READER

[X] said application having been filed in the United States Patent and Trademark Office on February 7, 1997, Serial No. 29/066,236.

AND WHEREAS Oki Electric Industry Co., Ltd.

7-12 Toranomon 1-chome, Minato-ku, Tokyo, Japan

hereinafter referred to as the assignee, is desirous of acquiring the entire right, title and interest in and to said application, including any and all divisions and continuations thereof, and in and to said invention and any and all patents which may be granted therefor, including any and all renewals, reissues and prolongations thereof;

NOW THIS WITNESSETH, that for and in consideration of One Dollar (\$1.00), and other good and valuable consideration paid by said assignee to said assignor, the receipt of which is hereby acknowledged, said assignor hereby assigns, sells and transfers, without warranty and recourse, to said assignee, and said assignee's successors and assigns, the full and exclusive right, title and interest in and to said application, including any and all divisions and continuations thereof, and in and to said invention and any and all patents which may be granted therefor, including any and all renewals, reissues and prolongations thereof; said assignee, and said assignee's successors and assigns, to have, hold, exercise and enjoy the said application, including any and all divisions and continuations thereof, and the said invention and any and all patents which may be granted therefor, including any and all renewals, reissues and prolongations thereof, with all the rights, powers, privileges and advantages in anywise arising from or appertaining thereto, for and during the term or terms of any and all such patents when granted, including any and all renewals, reissues and prolongations thereof, for the use and benefit of said assignee, and said assignee's successors and assigns, in as ample and beneficial a manner as the said assignor might or could have held and enjoyed the same, if this assignment had not been made.

This assignment is made to correct the inadvertent assignment made by the assignee to the assignor, and as such is made without any representations or warranties by the assignor. Assignee acknowledges and understands that this assignment is made with such limitations and accepts the assignment on such terms.

AND said assignor authorizes and requests the Commissioner of Patents and Trademarks to issue Letters Patent on said application, and on any and all divisions and continuations thereof, to said assignee, and said assignee's successors and assigns, in accordance herewith.

EXECUTED, this 12 day of May, 1998.
