ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I, **John Millard** do hereby sell, assign, and transfer unto Symantec Corporation, a Delaware corporation whose address is 10201 Torre Avenue, Cupertino, California 95014 (called the Assignee herein), and its successors and assignees, the entire title, interest and right, including the right of priority, in, to and under an application for Letters Patent of the United States entitled "**Secure Access To Software Modules**" filed in the U.S. Patent and Trademark Office on July 15, 1997 as application serial number 08/893,934, and the inventions and any of them therein set forth and described, and any and all Letters Patent of the United States and countries foreign thereto which may be granted thereon or therefor or corresponding thereto;

And for the above consideration I agree promptly upon request of the Assignee, its heirs, successors or assigns, to communicate any facts known to us respecting said application and the invention set forth therein, and to execute and deliver without further compensation any power of attorney, assignment, application, whether original, continuation, divisional or reissue, or other papers which may be necessary or desirable fully to secure the Assignee, its heirs, successors and assigns, the inventions and any of them described in said application and all patent rights therein, in the United States and in any foreign country thereto, and to cooperate and assist in the prosecution of interference proceedings involving said inventions and in the adjudication and re-examination of said Letters Patent, provided the expenses which may be incurred by me in lending such cooperation and assistance be paid by Assignee.

IN WITNESS WHEREOF, I hereunto set my hand and seal this 19TH day of NOVEMBER, 1997.

John Millard
