PATENT ASSIGNMENT

WHEREAS, the undersigned Dong Jin Hong a Korean Citizen having an address at P.O. No. 425-170, Wookil Apt. 503-1502, #1344, Sadong, Ansansi, Korea (hereinafter termed Inventor), has invented a LID AND UTENSIL HOLDER for which he has made applications for Letters Patents, said invention being described in and identified by the Specifications in patent application Serial Nos. 29638-1997 and 22391-1997 filed in Korea executed by him on October 24, 1998, and October 25, 1998, respectively; and in corresponding design patent applications filed in Japan on April 23, 1998, and filed in the United States, Canada, and Australia on April 24, 1998 (hereinafter collectively referred to as the Applications);

WHEREAS, Inventor is the sole owner of the entire worldwide rights, title, and interest in and to said invention and said Applications, and is desirous of retaining his right, title, and interest in and to said invention for Korea only and is desirous of assigning the remainder of his worldwide rights, title, and interest;

WHEREAS, S. Michael Nostrant & Associates, Inc. a corporation of the State of California, having a place of business at 18850 Ventura Boulevard, Suite 221, Tarzana, California (hereinafter termed Assignee), is desirous of acquiring, except for Korea, the entire worldwide right, title and interest in and to said Applications and said invention, and in and to Letters Patent thereon when granted in the United States and foreign countries, except Korea;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and for other good and valuable consideration received by said Inventor from said Assignee, the receipt of which is hereby acknowledged by said Inventor,

1. Said Inventor does hereby sell, assign, transfer and convey unto said Assignee, the entire right, title and interest in and to said Applications and said invention, and in and to any and all Letters Patent on said invention that may be granted in the United States and any foreign country except for Korea, and including each and every Letters Patent granted on any application which is a division, substitution, continuation, or continuation-in-part of said Applications specifically identified herein, except in Korea, and in and to each and every reissue of said Letters Patent.

2. Said Inventor does hereby covenant and agree to cooperate with said Assignee whereby said Assignee may enjoy to the fullest extent the right, title and interest herein conveyed. Such cooperation shall include:

- (a) prompt execution of all papers (prepared at the expense of Assignee) which are deemed necessary or desirable by Assignee to perfect in it the right, title and interest herein conveyed;

- (b) prompt execution of all petitions, oaths, specifications, declarations or other (prepared at the expense of the Assignee) which are deemed necessary or desirable by Assignee for prosecuting said Applications, for filing and prosecuting substitute, divisional, continuing, continuation-in-part, or additional applications in the United States and/or foreign countries (except Korea) covering said invention, for filing and prosecuting applications for reissuance of Letters Patent included herein, or for interference (i.e., priority) proceedings involving said invention; and
- (c) prompt assistance and cooperation in the prosecution of legal proceedings involving said invention, said applications and patents granted thereon, including oppositions, cancellation proceedings, priority contests, public use proceedings and court actions, provided, however, that the expense which may be incurred by said Inventor in lending such assistance and cooperation be paid by Assignee.

3. The terms, covenants and provisions of this assignment shall inure to the benefit of said Assignee, its successors, assigns and/or other legal representatives, and shall be binding upon said Inventor, his respective heirs, legal representatives and assigns.

4. Said Inventor does hereby warrant and represent that he has not entered into any assignment, contract or understanding in conflict herewith.

IN WITNESS WHEREOF, the said Dong Jin Hong has executed and delivered this instrument this 15<sup>th</sup> day of MAY, 1998.
