docket number correctly, the Serial Number was listed incorrectly as 08/900,837. As a result, the Notice of Recordation of Assignment document incorrectly listed the Serial Number as 08/900,837. In addition, the Notice of Recordation Assignment document also lists the filing date incorrectly as July 25, 1997, rather than November 7, 1997.

The undersigned requests that the recordation of the Assignment by Hendricus M.J.C. van KURINGEN on December 18, 1997 for Serial No. 08/900,837 be deleted from the Patent Office records because it is in error. In its place, the undersigned requests recordation of the Assignment by Hendricus M.J.C. van KURINGEN on December 18, 1997 be recorded in association with the Serial Number of the present application, namely 08/966,453.

As evidence to support the undersigned's contention that the Serial Number was listed incorrectly on the January 7, 1998 cover letter, enclosed please find a photocopy of the Notice to File Missing Parts in the above-identified application. This Notice lists the Serial Number as 08/966,453 rather than as 08/900,837. Otherwise, the inventorship, filing date and attorney docket number are listed correctly.
