Birchler of Roselle, Illinois, Lawrence J. Marturano of Mt. Prospect, Illinois, and Mark J. Marsan of Elmhurst, Illinois**, have sold, assigned and transferred, and do hereby sell, assign and transfer, unto MOTOROLA, INC., a corporation of the State of Delaware, having its principal office in Schaumburg, State of Illinois, United States of America, and its successors, assigns, and legal representatives, the entire right, title and interest for the United States of America in and to certain inventions relating to improvement in **METHOD FOR IMPROVING COMMUNICATION COVERAGE IN MULTI-CELL COMMUNICATION SYSTEMS USING LOCATION INFORMATION** (Case No. **CM03397H**), described, illustrated and claimed in an application for Letters Patent of the United States of America executed by us on the dates indicated by our signature below, together with the entire right, title and interest in and to said application, and in and to Letters Patent which may be issued upon said application, and upon any division, extension, continuation or reissue thereof.

We hereby also sell, assign and transfer unto the said MOTOROLA, INC., the entire right, title and interest in and to said invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of said invention and said applications for Letters Patent in foreign countries, and we further authorize the said MOTOROLA, INC. to apply for Letters Patent in foreign countries directly in its own name, and to claim priority of the filing date of the said application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.
