ASSIGNMENT

WHEREAS, Daniel P. Brown, an individual, of 8310 West 127th Street, Palos Park, Illinois 60464, (hereinafter "Assignor"), has made new and useful inventions and improvements in

CROSSOVER-RESISTANT PLURAL COMPONENT MIXING NOZZLE
for a full description of which reference is hereby made to an application for Letters Patent of the United States, executed on 01/15/98 by said Assignor and identified as Attorney Case No. 363 P 381;

WHEREAS, Flexible Products Company, a corporation organized and existing under the laws of the State of Georgia, having a place of business at 1007 Industrial Park Drive, Marietta, Georgia 30061, (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention, to the application above identified, and in, to and under Letters Patent which may be obtained for said invention, and to other applications or patents covering said inventions, as hereinafter more fully set forth;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged by said Assignor, the Assignor has sold, assigned, and transferred, and by these presents does sell, assign, and transfer unto the said Assignee, the entire right, title and interest for the United States in and to the invention and application hereinabove identified, and any Letters Patent of the

United States that may issue for said invention, together with the entire right, title and interest in and to said invention and applications for Letters Patent and Letters Patent therefor in all countries foreign to the United States, including the right to claim priority under the International Convention for the Protection of Industrial Property and other agreements and treaties of like purpose; to have and to hold for the sole and exclusive use and benefit of the said Assignee, its successors and assigns, to the full end of the term or terms for which any and all of said Letters Patent for said invention may issue.

And the Assignor does hereby covenant and agree, for himself and his legal representatives, that he will assist his said Assignee in the prosecution of any of the applications herein referred to; in the making and prosecution of any other applications for Letters Patent that the said Assignees may elect to make covering the invention herein referred to, including any divisional, continuation, or continuation-in-part application; or any application to reissue any patent referred to herein; in vesting in the said Assignee exclusive title in and to all applications and Letters Patent referred to herein; and in the prosecution of any interference or infringement action which may arise involving said invention or any claim thereto or thereunder, or any application or Letters Patent herein referred to; and he will execute and deliver to the said Assignee any and all additional papers which may be requested by said Assignee to vest title in said Assignee

in the United States and in countries foreign thereto, and will otherwise fully carry out the terms of this agreement.

And the Commissioner of Patents and Trademarks is hereby authorized and requested to issue Letters Patent to the said Assignee in accordance with the terms of this assignment.

IN TESTIMONY WHEREOF, the said Assignor has hereunto set his hand and affixed his seal.
