AGREEMENTS**Confirmation/Assignment 1:**

WHEREAS, I, Matthew N. Rask, a citizen of the United States of America, residing at 20515 S.E. Foster Road, Boring, Oregon 97009, have invented a Portion of a Shoe Upper for which an application for a Patent of the United States was executed on even date herewith; and

WHEREAS, NIKE, Inc., a corporation of the state of Oregon, having a place of business at One Bowerman Drive, Beaverton, Oregon 97005-6453, is desirous of confirming that it has already been assigned, or, if not already assigned, is desirous of acquiring the entire worldwide legal and beneficial right, title and interest in and to the aforesaid invention and in and to any Patents anywhere in the world which may be granted therefor, including the right to claim priority of the respective United States Patent application;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the aforesaid Matthew N. Rask, by these presents do confirm that I did (under the law of the jurisdiction(s) where the invention was conceived, reduced to practice and made, under the NIKE Employee Invention and Secrecy Agreement and/or under some other agreement with NIKE, Inc. including such a sale, assignment or transfer) sell, assign and transfer or, if not already done so, do sell, assign and transfer unto NIKE, Inc., its successors, legal representatives and assigns, the full, exclusive and worldwide right in and to said invention as described in said application, and in and to any Patents anywhere in the world which may be granted therefor and in an to any and all divisions, reissues, continuations, extensions and renewals thereof, including the right to claim priority of the respective United States Patent application;

AND I HEREBY authorize and request the Commissioner of Patents and Trademarks or any other proper officer or agency of any country to issue all said Patents to said assignee;

AND I HEREBY warrant and covenant that I either had or do have the full right to convey the entire interest herein assigned at the time of the sale, assignment and transfer;

AND I HEREBY warrant and covenant that I have not executed and will not execute any instrument or assignment in conflict herewith;

AND I HEREBY agree to communicate to said assignee or its representatives any facts known to me respecting said invention, to execute all divisional, continuation, renewal, reissue and foreign applications, sign all lawful documents and make all rightful oaths and declarations relating to said invention and to testify in any judicial or administrative proceeding and generally do everything possible to aid said assignee or any assignee of said assignee to obtain and enforce said Patents worldwide when requested so to do by said assignee or any assignee of said assignee.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this 1 day of JUNE 1998
