WHEREAS, I, CHARLES A. BROWN, residing in Dallas, County of Luzerne, Commonwealth of Pennsylvania, have made a certain new and useful invention in a GRIDDLE, and have executed an application for Letters Patent of the United States based thereon on even date herewith;

WHEREAS, I, CHARLES A. BROWN, am the President of LEGION INDUSTRIES, INC.;

WHEREAS, LEGION INDUSTRIES, INC., a corporation organized and existing under the laws of the State of Georgia and having its principal place of business at 69 Main Street, Dallas, Pennsylvania 18612, is desirous of acquiring the entire right, title and interest in and to the invention and all improvements thereon which may be made, conceived or acquired by me during the course of my association with LEGION INDUSTRIES, INC., and for one year thereafter, in and throughout the United States, its territories and all countries foreign thereto, and in and to said application for Letters Patent and in and to any and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon.

NOW, THEREFORE, IN CONSIDERATION of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I, CHARLES A. BROWN, by these presents do sell, assign and transfer unto the said LEGION INDUSTRIES, INC. my entire right, title and interest in and throughout

TO BE HELD AND ENJOYED by the said LEGION INDUSTRIES, INC. and its legal representatives and assigns to the full ends of the terms for which said Letters Patent, or any of them, have been granted or may be granted, as fully and entirely as the same would have been held and enjoyed by me had no sale and assignment of said interest been made; and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patent which may be granted upon the said invention above referred to, or any of them, or upon said invention or any part thereof, or upon any improvements thereon which may be made, conceived or acquired by me during the course of my association with the said company and for one year thereafter, to LEGION INDUSTRIES, INC., and I hereby agree for myself, my heirs, executors and administrators, to execute without further consideration, any further legal documents and any further assignments and any releases,

reissues, renewals or other applications for Letters Patent that may be deemed necessary by the Assignee herein named, fully to secure to the said Assignee its interest as aforesaid in and to said invention or any part thereof or any improvements thereon, and in and to said several Letters Patent, or any of them.

I do hereby covenant for myself and my legal representatives, and agree with LEGION INDUSTRIES, INC. and its legal representatives, that I have granted no license to make or sell the said invention, that prior to the execution of this deed my right, title and interest in the said invention has not been encumbered, that I then had good right and title in and to the invention and that I have not executed and will not execute any instrument in conflict therewith.
