ASSIGNMENT

WHEREAS, I, Marzio POZZUOLI of 266 Mathewson Street, Maple, Ontario, Canada L6A 1B4, have invented certain new and useful improvements in an invention entitled REDUNDANT COMMUNICATIONS IN A PROTECTIVE RELAY for which I am about to file an application for Letters Patent of the United States; and

WHEREAS, General Electric Company, a corporation organized and existing under the laws of the State of New York, is desirous of acquiring an interest therein;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, Marzio POZZUOLI, by these presents do hereby transfer, set over, sell and assign to General Electric Company, and its successors and assigns, the entire right, title and interest in, to and under said application for Letters Patent and the improvements or inventions, whether joint or sole, disclosed therein, and the resultant patent or patents thereon and any renewals, reissues, extensions, substitutions, continuations or divisions thereof, including all foreign rights thereunder.

FURTHER, I agree that I will communicate to General Electric Company, its representatives, successors and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all renewal, reissue, extension, substitution, continuations or divisional applications, execute all assignment papers necessary to cause any and all of said Letters Patent to be issued to General Electric Company, make all rightful oaths and affidavits and generally perform such other proper acts as said corporation

may deem necessary to aid, obtain, maintain and protect said invention in the territory of the United States and in any and all foreign countries, without further compensation to me but at the expense of General Electric Company, its successors or assigns.

Executed on May 27, 1998

By Inventor: 
Marzio Pozzuoli
