THIS SECURITY AGREEMENT is made as of March 16, 1998 by each of the Chargors (this term and other capitalized terms used in this Agreement having the respective meanings specified in Article IX) in favour of **CANADIAN IMPERIAL BANK OF COMMERCE**, as Security Agent.

A. One of the conditions to the lenders under the Existing Credit Agreement consenting to a request by Philip to exclude certain charges from the calculation of net income under the Existing Credit Agreement for certain financial covenant purposes under such agreement was that Philip and its Subsidiaries provide security to the Security Agent for the benefit of the Secured Party Beneficiaries.

B. Each of the Chargors has guaranteed certain obligations and liabilities of Philip and Philip U.S. to the Secured Party Beneficiaries.

C. In order to induce the Secured Party Beneficiaries to make or to continue to make certain financial accommodation to Philip and Philip U.S., the Chargors are willing to execute and deliver this Agreement.

D. Each Chargor will obtain benefits from financial accommodation being made, or continuing to be made, to Philip and Philip U.S. by the Secured Party Beneficiaries and, accordingly, each Chargor desires to execute this Agreement to satisfy the condition described in the preceding paragraph.

NOW, THEREFORE, in consideration of the benefits accruing to each Chargor, the receipt and sufficiency of which are hereby acknowledged, each Chargor hereby makes the following representations and warranties to the Security Agent and hereby covenants and agrees with the Security Agent.

ARTICLE I

SECURITY INTERESTS

1.1. Grant of Security Interests. (a) As security for the prompt and complete payment and performance when due of all of the Liabilities of such Chargor

(b) The security interest of the Security Agent under this Agreement extends to all Collateral of the kind which is the subject of this Agreement which any Chargor may acquire at any time during the continuation of this Agreement.

1.2. Power of Attorney. Each Chargor hereby constitutes and appoints the Security Agent its true and lawful attorney, irrevocably, with full power after the occurrence of and during the continuance of a Default (in the name of such Chargor or otherwise) to act, require, demand, receive, compound and give acquittance for any and all monies and claims for monies due or to become due to such Chargor under or arising out of the Collateral, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Security Agent may deem to be necessary or advisable to protect the interests of the Secured Party Beneficiaries, which appointment as attorney is coupled with an interest.
