ASSIGNMENT

Whereas We, Stephen A. Geibel, Tanweer U. Haq, and Donald B. Stevens, Sr.

of Cortland, New York, Tully, New York, and Port Washington, New York have made a certain new and useful invention relating to

METHOD AND DEVICE FOR REMOVING IRON FROM AQUEOUS LIQUIDS

for which we have submitted an International Application under the Patent Cooperation Treaty designating the United States of America and other states, on September 13, 1996, which application is identified in the United States Patent and Trademark Office (the Receiving Office) as Application No. PCT/US96/14706, filing date September 13, 1996; and

for which we have filed a national phase application for Letters Patent of the United States of America on March 12, 1998, which application is identified in the United States Patent and Trademark Office as Serial No. 09/029,904; and

Whereas Pall Corporation

of 2200 Northern Boulevard, East Hills, New York 11548-1209,

the Assignee, is desirous of acquiring the entire right, title, and interest in and to the invention, the patent application, and the Letters Patent to be obtained therefor:

Now, therefore, for and in consideration of One Dollar, and other good and valuable considerations, paid to us, the receipt and sufficiency of which are acknowledged, we have sold, assigned, and set over and by these presents do sell, assign, and set over to the Assignee and the Assignee's legal representatives, successors, and assigns, the entire right, title, and interest in and to the invention, the patent application, the Letters Patent that may or shall issue from the patent application, and any and all divisions, continuations, continuations-in-part, reexaminations, reissues, or extensions of the patent application or Letters Patent; and we authorize and request the Commissioner of Patents and Trademarks to issue the Letters Patent to the Assignee in agreement with the terms of this assignment.

We authorize the Assignee and its agents to insert or to have inserted in this instrument the execution date and/or the filing date and serial number of our patent application.

We convey to the Assignee the right to make application in its own behalf for protection of the invention in countries foreign to the United States and to claim under the International Convention for the Protection of Industrial Property (the Paris Convention), the Patent Cooperation Treaty, and any other international arrangements for any such patent application, the date of the United States application (or other patent applications, if there be any) in
