**ASSIGNMENT**

THE UNDERSIGNED inventor/joint inventors has/have invented certain new and useful improvements described and claimed in the application for United States Letters Patent titled:

**BUILT-IN SELF-TEST CIRCUIT AND METHOD FOR VALIDATING AN ASSOCIATIVE DATA ARRAY**

NATIONAL SEMICONDUCTOR CORPORATION ("National"), a Delaware corporation, desires to acquire the entire right, title, and interest in and to the invention, and to the application and any Letters Patent that may be issued from the application.

NOW THEREFORE, for consideration of One Dollar (\$1.00) and other valuable consideration, the receipt and sufficiency of which is acknowledged.

I/We assign to National, all right, title, and interest in such invention and in the application and all related patents that may issue, and all related divisions, reissues, continuations, continuations-in-part and extensions; and I/We authorize the Commissioner of Patents and Trademarks to issue to National all patents resulting from such invention, insofar as my/our interest is concerned.

I/We also assign to National, all right, title, and interest to the invention disclosed in such application throughout the world, including the right to file applications and obtain patents, or similar property rights, for the invention in its own name throughout the world, including all rights to publish cautionary notices reserving ownership of the invention, and all rights to register the invention in appropriate registries; and I/We further agree to execute any powers of attorney, applications, assignments, declarations, affidavits, and other related papers necessary to perfect such right, title and interest in National.

I/We will communicate to National any facts regarding any improvements; and at the expense of National, we will testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue, and substitute applications, make lawful oaths and declarations and, at National's expense, do everything reasonably necessary to vest title in National and to aid National to obtain and enforce proper protection for the invention in all countries.

This Assignment shall be binding on the parties' successors, assign and legal representatives.
