ASSIGNMENT

WHEREAS, I, Sunil Paul, a citizen of the United States of America, residing at 1506 Willard Street, San Francisco, California 94117, have invented certain new and useful improvements in an Unsolicited E-Mail Eliminator, for which an application for Letters Patent of the United States was filed on January 13, 1998, and has been accorded U.S. Application Serial No. 09/006,527; and

WHEREAS, Bright Light Technologies, Inc., a corporation of the State of California, having a place of business at 650 Townsend Street, San Francisco, California 94103, is desirous of acquiring the entire right, title and interest in and to the aforesaid invention in the United States and any and all foreign countries and in and to any Letters Patent of the United States or any and all foreign countries which may be granted therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the aforesaid Sunil Paul, by these presents do sell, assign and transfer unto Bright Light Technologies, Inc., its successors, legal representatives and assigns, the full and exclusive right in and to the said design as described in the said applications, in the United States and any and all foreign countries, and in and to any Letters Patent which may be granted therefor in the United States and any and all foreign countries, and in and to any and all divisions, reissues, continuations and extensions thereof; and

AND I HEREBY authorize and request the Commissioner of Patents and Trademarks or any other proper officer or agency of any country to issue all said Letters Patent to said assignee;

AND I HEREBY warrant and covenant that I have full right to convey the entire interest herein assigned and that I have not executed and will not execute any instrument or assignment in conflict herewith;

AND I HEREBY agree to communicate to said assignees or their representatives any facts known to me respecting said design, to execute all divisional, continuation, reissue and foreign applications, sign all lawful documents and make all rightful oaths and declarations relating to said design, and to testify in any judicial or administrative proceeding and generally do everything possible to aid the said assignees to obtain and enforce said Letters Patent in the United States or any foreign country when requested so to do by said assignee.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this 10TH day of
APRIL, 1998.
