WHEREAS, BRAUN AKTIENGESELLSCHAFT, a corporation duly organized and existing under the laws of the Federal Republic of Germany, and having a place of business at Frankfurt am Main, Federal Republic of Germany, hereinafter called BRAUN AG, is desirous of acquiring the said application for Letters Patent of the United States, all inventions therein disclosed, and any and all Letters Patent of the United States and of all other countries which may be granted for the said inventions, or any of them;

NOW THEREFORE, for good and valuable considerations to us paid by BRAUN AG, the receipt whereof is hereby acknowledged, we do hereby sell, assign, transfer and set over unto BRAUN AG, its successors and assigns, the entire right, title and interest in, to and under the said application for United States Letters Patent, including all priority rights arising therefrom, all inventions therein disclosed, and any and all Letters Patent of the United States and of all other countries which may be granted for the said inventions, or any of them.

TO HAVE, HOLD AND ENJOY the said inventions, the said application, and the said Letters Patent to said BRAUN AG, its successors and assigns, to its and their own use and behoof to the full end of the term or terms for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made.
