ASSIGNMENT

WHEREAS, WE, ALBERT MILLER, residing at 1071 Foxhurst Way, San Jose, California 95121, and DAVID B. GRIFFIN, residing at 169 Longmeadow Drive, Los Gatos, California 95032, have invented a new, original and ornamental design for

TRAP FOR FLEAS AND FLYING INSECTS

for which, on even date herewith, we have executed an application for U.S. Design Patent thereof; and

WHEREAS, TERMINATOR TURTLE LP, a California limited partnership, having its principal place of business at 2000 Santa Clara Avenue, Alameda, California 94501, is desirous of acquiring the full and exclusive right, title, and interest in and to said design application and the inventions therein disclosed, and in and to all Design Patents, both U.S. and foreign, to be granted for said inventions.

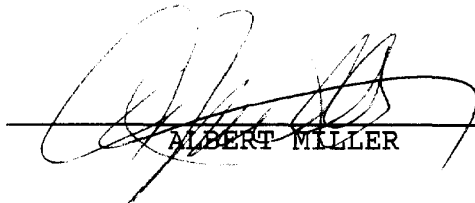

NOW, THEREFORE, for a valuable consideration, the receipt whereof is hereby acknowledged, we, the said Albert Miller and David B. Griffin, do hereby sell, assign, transfer, and set over unto the said TERMINATOR TURTLE LP, its successors and assigns, the full and exclusive right, title and interest in and to the aforesaid design application for U.S. Design Patent, and the inventions therein disclosed, and in and to all Design Patents

which may be issued upon any substitutes, divisions, or continuations of said design application; and in and to any and all Design Patents which may be granted for said inventions in any foreign country or countries; the same to be held and enjoyed by said TERMINATOR TURTLE LP, for its own use and behoof, and for the use and behoof of its successors and assigns, to the full end of the term or terms for which said Design Patent and reissues thereof may be granted, as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made;

AND WE HEREBY agree to execute, upon request, any and all further papers which may be necessary or desirable to enable the said TERMINATOR TURTLE LP, its successors and assigns, to file and prosecute said design application, and any and all substitutes, divisions, or continuations thereof, and any and all reissues of the Design Patents granted upon said application, or upon any substitutes, divisions, or continuations thereof; and we further agree to execute any and all further papers which may be necessary or desirable to vest or perfect the title of TERMINATOR TURTLE LP, its successors and assigns, in and to said design application and the inventions therein disclosed, and in any and all U.S. Design Patents and reissues thereof, which may be granted upon said design application, and any substitutes, divisions, or continuations thereof.

AND WE HEREBY authorize and request the Commissioner of Patents and Trademarks to issue each and every Design Patent to be granted upon the aforesaid design application for U.S. Design Patent, and upon any and all substitutes, divisions, and continuations of said application, and each and every reissue of said Design Patent, to the said TERMINATOR TURTLE LP, its successors and assigns, as the assignee of the entire right, title, and interest therein, in accordance with this Assignment.
