**ASSIGNMENT AND AGREEMENT**

FOR VALUE RECEIVED, We, **Mark Alan BRYANT, Roger Douglas WHIDDON, Harrison Lewis BUCHANAN, Jr., Lapthe Chau FLORA, John Carl NELSON, and Bradley Todd PHILIPPI** hereby sell, assign and transfer to ITT MANUFACTURING ENTERPRISES, INC. a corporation duly organized under and existing under the laws of the State of Delaware, having a principal place of business at 1105 North Market Street, Suite 1217, Wilmington, Delaware 19801, as assignee, and its successors, assigns and legal representatives, the entire right, title and interest for all countries, in and to certain inventions relating to **MONOCULAR NIGHT VISION DEVICE (MNVD) AND MOUNTING ADAPTER FOR SAID MONOCULAR NIGHT VISION DEVICE** described in an application for Letters Patent of the United States, executed by me of even date herewith, and all rights and privileges under any and all Letters Patent that may be granted therefor.

We request that any and all patents for said inventions be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, I will, without charges to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns, and legal representatives or nominees.

We authorize and empower the said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Intellectual Property, as amended, or by any connection which may be substituted for it.

We covenant with said Assignee, its successors, assigns and legal representatives that the rights and property herein conveyed are free and clear of any incumbrance, and that I have full right to convey the same as herein expressed.

Signed at \_\_\_\_\_ this 07 day of April, 1998
