RIGHTS BEING GRANTED

In consideration of money paid and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee the entire right, title, and interest in the invention(s), and the full and exclusive right and title to such Patents, Patent Applications, patents which result from such Patent Applications, any Continuation Patent Applications which may be filed on the inventions, and reissues thereof.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to record Digideal Corporation as the assignee of the entire right, title and interest in such invention(s), Patents and pending Patent Applications.

Assignor further agrees to execute, at the request and expense of Digideal Corporation such other formal documents as may be required to fully convey the interests transferred herein and will similarly execute any application papers required for the filing of any division, continuation or reissue of the Patents, Patent Applications, and any other applications filed on the inventions; and will generally do everything necessary or desirable to obtain and enforce proper protection for the inventions assigned hereby.

Assignor further assigns to Digideal Corporation the whole right, title and interest in the inventions disclosed in the Patents and Patent Applications throughout all countries foreign to the United States. Digideal Corporation is hereby authorized to apply for patents, design patents, utility models and any other forms of protection relating to the inventions in its own name or names of inventors in countries where such procedures are proper; to claim the benefit of the International Convention; to file and prosecute International Applications relating to the inventions under the Patent Cooperation Treaty; and to file and prosecute applications relating to the inventions under the European Patent Convention and any other patent convention or procedure available. Assignor agrees to execute applications relating to the inventions in those countries and under those conventions where it is necessary that the same be executed by the inventor, and to execute assignments of such applications and the resulting Letters Patent to Digideal Corporation, as well as all other necessary papers in relation to such applications and Letters Patent.
