ASSIGNMENT OF INVENTION

WHEREAS I, Mark C. Wolochuk, having an address of 1926 S.E. 34th Avenue, Portland, Oregon 97214, have made a new and useful invention relating to a VOLUMETRIC AIRFLOW INDICATOR AND CONTROL DEVICE, for which invention I have executed an application for Letters Patent of the United States, which application has been identified by serial no. 09/097,561, filed in the United States Patent and Trademark Office on June 15, 1998 (authority being hereby given to insert in this assignment the serial number and filing date of said application); and

FOR VALUE RECEIVED, the receipt and sufficiency thereof being hereby acknowledged, I hereby sell, assign, and transfer unto HUNTAIR INC., as assignee, and its successors, assigns, and legal representatives, my entire right, title and interest to the above-described invention, for all countries in the world, including all the rights and privileges under any and all Letters Patent that may be granted from the above-described application.

I further request that any and all patents for the invention be issued to the assignee identified above, or to such nominees as the assignee may designate.

I agree that, when requested, I will, without charge to the assignee, but at the assignee's expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable, or convenient for securing and maintaining patents for the invention in any and all countries, and for vesting title thereto in the assignee's name.

I authorize and empower the assignee to invoke and claim for any application for patent or other form of protection for the invention filed by the assignee, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may have been or may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization by me.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document which may be required in any country for any purpose, and more particularly, in proof of the right of the assignee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may have been or may henceforth be substituted for it.

I covenant with the assignee that the rights and property herein conveyed are free and clear of any encumbrance, and that I have full right to convey the same as herein expressed.

SIGNED this 24th day of JUNE, 1998.
