Inventor: Subbiah Sankaran

For good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned hereby assign(s) to KAISER ALUMINUM & CHEMICAL CORPORATION its successors, legal representatives and assigns (hereafter "the assignee") the entire right, title and interest in the invention of improvements in RACK and in the application for Design Patent of the United States therefore, executed by the undersigned, and in any reissue, extension, division or continuation of any Design Patent that may be granted upon said application or applications.

The undersigned hereby authorize(s) and request(s) the Commissioner of Patents to issue said Design Patent to said assignee.

For said consideration the undersigned hereby agree(s), upon the request of said assignee, to execute any and all divisional, continuation and renewal applications for said invention or improvements, and any necessary oath or supplemental oath or affidavit relating thereto, and any application for the reissue or extension of any Design Patent that may be granted said application that said assignee may deem necessary or expedient, and for said considerations the undersigned further agree(s) upon the request of said assignee, in the event of said application or any division thereof, or Design Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in interference, to co-operate with said assignee, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and the undersigned hereby agree(s) to perform, upon said request, any and all affirmative acts to obtain said Design Patent and vest all rights therein hereby conveyed in the said assignee as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.

And for the said considerations the undersigned hereby assign(s) to said assignee the entire right, title and interest in said invention or improvement for any and

all foreign countries and agree(s) upon the request of said assignee to execute any and all documents in connection with any and all applications for foreign Design Patent therefore, including the prosecution thereof, and to execute any and all documents necessary to vest title said foreign applications and patents in said assignee.
