## ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned, do hereby:

SELL, ASSIGN AND TRANSFER to ORBSEAL L.L.C. (the "Assignee"), a Limited Liability Company of the state of Missouri, having a place of business at 201 E. Hwy 10, Richmond, Missouri, 64085, the entire right, title and interest for the United States and all non-U.S. countries in and to any and all improvements which are disclosed in the Provisional or Non-Provisional application for United States Letters Patent, which has been executed by the undersigned concurrently herewith and is entitled "CURABLE SEALANT COMPOSITION", Attorney Docket No. OB001JP-1\*\*, such application and all divisional, continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and all non-U.S. countries on any of such improvements; all original and reissued patents which have been or shall be issued in the United States and all non-U.S. countries on such improvements; and specifically including the right to file non-U.S. applications under the provisions of any convention or treaty and claim priority based on such application in the United States;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and non-U.S. patents granted on such improvements to the Assignee;

COVENANT, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for vesting title to such improvements in the Assignee, and for securing, maintaining and enforcing proper patent protection for such improvements;

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.
