ASSIGNMENT

WHEREAS, I, MARIO DIMARCO of Scottsdale,
County of Maricopa, and State of Arizona have
invented certain new and useful improvements in ELECTRICAL CONNECTOR FOR CIRCUIT CARD ASSEMBLIES, for which
an application is about to be made for Letters Patent of the United States, said application having been executed on even date
herewith; and

Whereas, Honeywell Inc., a corporation organized and existing under the laws of the State of Delaware, and having its
principal offices at Honeywell Plaza, Minneapolis, Minnesota 55408 U.S.A. is desirous of acquiring the entire right, title and
interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

Now, therefore, for good and valuable consideration to me paid by the said Honeywell Inc., the receipt of which is
hereby acknowledged, I have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the
said Honeywell Inc., its successors and assigns, my entire right, title and interest in and to said invention, said application and the
Letters Patent, both foreign and domestic, that may or shall issue, including all of my rights under any and all international
conventions, treaties and/or agreements concerning patents to which the United States is a party, and I do hereby authorize and
request the Commissioner of Patents to issue said Letters Patent to the above mentioned assignee in accordance herewith.

I further authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters
Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States
application and/or otherwise take advantage of the provisions of any international convention, treaty and/or agreement.

I do hereby covenant and agree with the said assignee, its successors and assigns, that I will not execute any writing or
do any act whatsoever conflicting with these presents, and that I or my executors or administrators will at any time upon request,
without further or additional consideration, but at the expense of the said assignee, its successors and assigns, execute such
additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to
perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining
original, divisional, reissued or extended Letters Patent of the United States, or any of and all foreign countries on said invention,
and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or
transactions involving such applications or patents.
