ASSIGNMENT

WHEREAS, Nobles-Lai Engineering, Inc., a California corporation, having a principal place of business at 17080 New Hope Street, Fountain Valley, California 92708 (hereinafter "Assignor"), is the owner of United States Patent Application Serial No. 08/215,130 (hereinafter "the Patent Application"); and

WHEREAS, Cordis Innovative Systems, Inc., a Florida corporation, having a principal place of business at 8 Executive Park West, Atlanta, Georgia 30329 (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to said patent application, and to any letters patent that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, the receipt whereof is hereby acknowledged, and other good and valuable consideration, Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer unto said Assignee the full and exclusive right to the Patent Application in the United States and its territorial possession and in all foreign countries and the entire right, title and interest in and to any and all Letters Patent and in and to any and all divisions, reissues, continuations and extensions thereof, together with all claims for prior infringements thereon, including the Patent Application.

Assignor hereby authorizes and requests the Patent and Trademark Office Officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Assignee as the assignee of its entire right, title and interest in and to the same, for the sole use and enjoyment of said Assignee, its successors and assigns.

Further, Assignor agrees that it will communicate to said Assignee, or its representatives, any facts known to it respecting said Patent Application, and testify in any legal proceedings, sign all lawful papers, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths and generally do everything necessary or desirable to aid said Assignee, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, I hereunto have set my hand and seal effective the

18th day of June, 1998.
