In consideration of One Dollar (\$1.00) and other good and valuable consideration paid to me by the Assignee, the receipt and sufficiency of which I hereby acknowledge, I
HEREBY ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in said invention in the above-identified United States patent application and in all divisions, continuations and continuations-in-part of said application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and

1 Foreign countries.

2 The right to file foreign patent applications on said invention in
3 its own name, wherever such right may be legally exercised, including
4 the right to claim the benefits of the International Convention for such
5 applications.

6 I hereby authorize and request the United States Commissioner of Patents and
7 Trademarks, and such Patent Office officials in foreign countries as are duly authorized by

9 Assignee as the owner of the entire interest, for the sole use and behalf of the said Assignee,
10 its successors, assigns and legal representatives.

11 I hereby agree, without further consideration and without expense to me, to sign
12 all lawful papers and to perform all other lawful acts which the Assignee may request of me
