ASSIGNMENT

WHEREAS I, **Jeremy Ross NEDWELL** of **Mandalay, Forester Road, Soberton Heath, Hampshire, SO32 3QG, United Kingdom** have invented a certain new and useful invention entitled "**Dislodging or Loosening Mucus in a Person's Lungs**" for which an application for Letters Patent of the United States of America has been prepared for filing, said application being identified with the reference No. **S06/F01** and executed on even date herewith;

NOW THEREFORE, be it known that I, the said inventor, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign and transfer unto said assignee, **Subacoustech Limited**, a **British company** having a place of business at **Chase Mill, Winchester Road, Bishop's Waltham, Hampshire, SO32 1AH, United Kingdom**, its successors, legal representatives and assigns, the aforesaid application for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extensions filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the invention in the United States of America or any other country; I also assign any right, title or interest in and to the said invention which has not already be transferred to the assignee; I warrant that I have made no assignment of the invention, application or patent therefor to a party other than **Subacoustech Limited** and I am under no obligation to make any assignment of the invention, application or patent therefor to any other party; and I further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming the assignee's exclusive ownership of the invention, but at the expense of said assignee.

The Commissioner of Patents is hereby authorised and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to **Subacoustech Limited**, its successors, legal representatives and assigns, as the assignee of the entire right, title and interest therein.

IN WITNESS WHEREOF the party hereto has executed this Assignment as of the date indicated hereunder.
