ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, **Case Western Reserve University, a not for profit corporation of the State of Ohio, ("Assignor")** hereby sells, assigns and transfer to **Osiris Therapeutics, Inc. ("Assignee")** a Delaware Corporation, having a place of business at **2001 Alicanna Street, Baltimore, MD 21231**, its successors, assigns and legal representatives, a fifty per cent (50%) interest in its entire right, title and interest for the United States and all other countries, in and to the improvements(s) known as **United States Application Serial No. 08/723,360**, filed September 30, 1996, and titled:

Biomatrix for Soft Tissue Regeneration

and in and to said application and all divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all other countries on any of said improvements, and in and to all original and reissued patents which have been or shall be issued in the United States and all other countries on said improvements (hereinafter collectively, the "Patent Rights").

The Assignor further agrees that said Assignee may apply for and receive Letters Patent for said improvements jointly in the names of both Assignee and Assignor; and, when requested, without charge to but at the expense of Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the Assignor will execute all divisional, continuing, substitute, renewal, reissue and all other patent applications on all such improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and representatives all facts known to the assignor relating to said improvements and the history thereof; and do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting said interest in the title to said improvements and all applications for patent and all patents on said improvements jointly in both Assignor and Assignee, their successors, assigns and representatives.

The Assignor hereby represents and warrants to Assignee, its successors, assigns and representatives that no assignment, grant, mortgage, license or other right or agreement affecting the rights and property herein conveyed has been made to others by the Assignor and that full right to convey the same as expressed herein is possessed by the assignor.

The assignor hereby grant power to John N. Bain (Reg. No. 18,651); John G. Gilfillan, III (Reg. No. 22,746); Elliot M. Olstein (Reg. No. 24,025); Raymond J. Lillie (Reg.
