For value received, **Ferring AB**, having its principal place of business at Soldatorpsvagen 5, S-200 61 Malmo, Sweden, hereby sells, assigns and transfers to **Ferring BV**, having its principal place of business at Marsstraat 9, P.O. Box 3129, 2130 KC Hoofddorp, The Netherlands, as assignee, and its successors, assigns and legal representatives, the entire rights, title and interest, for all countries in and to certain inventions relating to:

**HIGH PURITY DESMOPRESSIN PRODUCED
IN LARGE SINGLE BATCHES**

which issued on June 9, 1998 as a Letters Patent of the United States and assigned U.S. Patent No. 5,763,407, and all the rights and privileges under said Letters Patent.

Ferring AB agrees that, when requested, it will, without charge to said assignee but at assignee's expense, sign all papers and take all rightful oaths for vesting title to and in said certain inventions to said assignee, its successors, assigns and legal representatives or nominees, and, for reasonable compensation from said assignee, do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said certain inventions in any and all countries.

Ferring AB authorizes and empowers said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or

other form of protection for said invention filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, the Patent Cooperation Treaty, or any convention which may henceforth be substituted for them, and to invoke and claim such right of priority without further written or oral authorization from Ferring AB.

Ferring AB hereby consents that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, the Patent Cooperation Treaty, or any convention which may henceforth be substituted for them.

Ferring AB covenants with said assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that Ferring AB has full right to convey the same as herein expressed.
