ASSIGNMENT

WHEREAS, we, Mukhtar Siddiqui, of 3172 Riviera Way, San Ramon, California 94583, a citizen of the United States of America, Richard L. Roberts, of 1977 Kostka Lane, Germantown, Tennessee 38139, a citizen of the United States of America, and James A. Greene, of 991-6 Asilomar Terrace, Sunnyvale, California 94086, a citizen of the United States of America, have invented HIGH EFFICIENCY SKIN PROTECTION FORMULATION WITH SUNSCREEN AGENTS AND ANTIOXIDANTS for which an application to the Assistant Commissioner for Patents for grant of Letters Patent of the United States of America has been executed by the undersigned

(X) on: July 9, 1998, and
(X) is being filed concurrently herewith; and

WHEREAS, Shaklee Corporation, a corporation organized under the laws of the State of California, having a place of business at Shaklee Terraces, 444 Market Street, San Francisco, California 94111, is desirous of acquiring all domestic and foreign right, title, and interest in the aforesaid invention described in the aforesaid application for Letters Patent of the United States of America; and

NOW, THEREFORE, to all whom it may concern, be it known for and in consideration of the premises and other valuable considerations, we the undersigned, have sold, assigned, and transferred and by these presents do sell, assign, and transfer unto Shaklee Corporation, and his successors, the full and exclusive right, title, and interest throughout the United States of America, its territories and dependencies, and within each and every foreign country in which Shaklee Corporation elects to file the invention described in the aforesaid application for Letters Patent of the United States of America, and all Letters Patents and Registrations which may be granted on the same in the United States of America and all countries throughout the world, and to claim the priority from the application as provided by the Paris Convention, or of any divisional, renewal, continuation in whole or in part, substitution, conversion, reissue, prolongation or extension thereof.

AND we hereby authorize and request the Assistant Commissioner for Patents to issue said Letters Patent to Shaklee Corporation as an assignee of the entire right, title, and interest in and to the same throughout the United States of America, its territories and dependencies, and within each and every foreign country in which Shaklee Corporation elects to file, for the sole use for the full term or terms for which said Letters Patent and Registrations may be granted thereon, or of any division, renewal, continuation in whole or in part, substitution, conversion, reissue, prolongation or extension thereof which may be granted as fully and entirely as the same would have been held by us, had this assignment not been made;

AND, we hereby warrant that there are no outstanding assignments, grants, liens, encumbrances, or agreements either written, oral, or implied with respect to the aforesaid application for Letters Patent which will impair, diminish, limit, or abridge the interest herein conveyed at the time of the execution of this instrument by us;

AND, we hereby agree to execute any and all applications for Letters Patent in the United States of America and foreign countries, and to furnish and deliver to Shaklee Corporation, upon request, all data and documents, and to execute any papers which may be necessary for the prosecution of any application or applications of Letters Patent or for Shaklee Corporation to exercise its rights granted hereunder, including communicating to Shaklee Corporation, its representatives or agents, any facts relating to said invention, including evidence for interference purposes, or for other proceedings, whenever requested, to testify in any interference or other proceedings, whenever requested, and to execute and deliver on request all lawful papers required to make any of the foregoing provisions effective, and likewise make these provisions binding upon our heirs, legal representatives, administrators and assigns, and we shall assist Shaklee Corporation in every way as may be requested in protecting said invention, provided that any expense of extending such assistance shall be paid by
