ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, we, Angela Jane Benitz of San Francisco, California and Seiken Nakama of San Francisco, California, hereby sell, assign, and transfer to Scientific Learning Corporation, a Delaware corporation, having a place of business at 1995 University Avenue, Suite 400, Berkeley, California 94704-1074, its successors and assigns, the entire right, title, and interest through the world in our invention in:

Simulated Play of Interactive Multimedia Applications for Error Detection

for which we have made a United States Utility Patent Application, Serial Number 09/064,795, filed on April 22, 1998 and all patent applications and patents of every country for said invention, including divisions, reissues, continuations, and extensions thereof, and all rights of priority resulting from the filing of said applications; we authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from us; we agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns, and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and we request the Commissioner for Patents and Trademarks to issue all patents granted for said invention to the above-named assignee, its successors, and assigns.
