For: MULTIWEB PERFORATED FOLDED PRODUCT AND METHOD

Date of Patent: March 22, 1994

VERIFIED STATEMENT REGARDING
ERROR IN ASSIGNMENT DOCUMENT PURSUANT TO MPEP § 323

I, James D. Ryndak, am an attorney licensed by the State of Illinois and registered to practice before the U.S. Patent and Trademark Office.

I represent Sleepeck Printing Company in intellectual property matters and I was the attorney in charge of drafting and prosecuting U.S. Patent Application Serial No. 782,219 filed October 24, 1991 for Multiweb Perforated Folded Product and Method, which list as inventor Ake L. Dahlquist and issued March 22, 1994 as U.S. Patent Number 5,296,066.

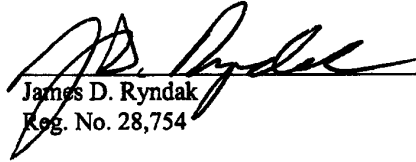

On October 24, 1991, I filed an Assignment and cover letter submitting the same with the U.S. Patent and Trademark Office. That cover letter and Assignment were recorded at reel 5898 frame 0089 - 0091.

In the course of preparing the Assignment documents, an error was made in the assignee's name. More specifically, the assignee was incorrectly identified as "Dixonweb Printing Company (an Illinois corporation)" when in fact the correct corporate name for the company is Sleepeck Printing Company, which is an Illinois corporation. Dixonweb Printing Company is the name of a division of Sleepeck Printing Company and was placed on the assignment due to an inadvertent error.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with knowledge that willful false statements and the like so made are
