ASSIGNMENT

WHEREAS, I, James V. Radomski of New Brighton, Minnesota 55112 have invented certain new and useful improvements in Acoustic Monitor for which application is about to be or has been made for Letters Patent of the United States of America, the application having been executed on July 15, 1998, and which may be identified in the United States Patent and Trademark Office by Serial No. 09/_____ filed July _____, 1998; and

WHEREAS, Horton, Inc., a corporation organized and existing under the laws of the State of Minnesota, and having a principal place of business at 1170 15th Avenue Southeast, Minneapolis, Minnesota 55414, hereinafter "assignee", is desirous of acquiring the entire right, title, and interest to the invention, the application, and any and all Letters Patent to be obtained therefor, on the basis of this Assignment and quitclaim of the aforesaid items; and

WHEREAS, MicroLogic, Inc., a corporation organized and existing under the laws of the State of Minnesota, and having a principal place of business at 1179 15th Avenue Southeast, Minneapolis, Minnesota 55414, is the employer of James V. Radomski.

NOW, THEREFORE, in consideration of the foregoing premises, and intending to be legally bound thereby, and in consideration of a MEMORANDUM OF UNDERSTANDING BETWEEN MICROLOGIC, INC. AND HORTON HOLDING, INC. dated August 17, 1994 including royalty payment obligations therein specified and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I have sold, assigned, and transferred, and by these presents do hereby sell, assign, and transfer unto the assignee, its successors or assigns, the entire right, title, and interest possessed by me in and to the invention, the application, and the Letters Patent, both foreign and domestic, that may or shall be granted thereon, including any original, continuation, continuation-in-part, divisional, reissued, or extended applications for Letters Patent, Letters Patents, petty patents, utility models, or utility model conversions issuing thereon, both foreign and domestic, and including all of my rights under International Convention, with all of my rights, both foreign and domestic, to be held and enjoyed by the assignee for its own use and enjoyment and for the use and enjoyment of its successors and assigns to the full end of the term or terms for which such Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by me had this assignment, transfer, and sale not been made, subject only to the aforementioned royalty payment obligations.

I further authorize the assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all
