# ASSIGNMENT

WHEREAS, WE, Richard P. OBERLIN, a citizen of the United States of America, residing at 4101 Green Glade Road, Phoenix, MD 21131, U.S.A.; and Robert T. SORANNO, a citizen of the United States of America, residing at 2806 Blythe Court, Baldwin, MD 21013, U.S.A.; have jointly invented certain new and useful improvements in:

## SELF-CORRECTING INDUCTIVE FUZE SETTER

for which an application for Letters Patent in the United States:

- ☐ is being executed concurrently herewith;  
☒ was filed on 12/31/1997 and assigned Serial No. 09/001,693; and

WHEREAS, AAI Corporation, a corporation duly organized under the laws of Maryland, having a place of business at York Road & Industry Lane, Cockeysville, MD 21030 U.S.A. (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title and interest in and to the aforesaid application in which the invention is disclosed, described and claimed, in and to the above-identified invention for the United States of America and all countries foreign thereto, and in and to any and all Letters Patent to be issued for said invention in the United States of America and all countries foreign thereto, including any and all continuations, divisions, reissues, or extensions of such application or Letters Patent;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for good and valuable consideration, we have bargained, sold and assigned, transferred and set over and by these presents do hereby bargain, sell, assign, transfer and set over unto Assignee, its successors, assigns or other legal representatives, the entire right, title and interest in and to the aforesaid application in which the invention is disclosed, described and claimed, in and to the above-identified invention for the United States of America and all countries foreign thereto, and in and to any and all Letters Patent to be issued for said invention in the United States of America and all countries foreign thereto, and any and all continuations, divisions, reissues, or extensions of any such Letters Patent; the said to be held and enjoyed by Assignee for its own use and on behalf of its successors, assigns, or other legal representatives, to the full end of the term or terms for which said Letters Patent may be granted, reissued, or extended as fully and entirely as the same would have been held and enjoyed by us, jointly, if this assignment and sale had not been made.

We further covenant and agree that we will at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title to said invention, or any Letters Patent that may be granted therefor, in Assignee, its successors, assigns, or other legal representatives, and that if Assignee, its successors, assigns or other legal representatives desire to secure a reissue or extension or division of any Letters Patent, we will upon request sign all papers, make all rightful oaths, and do all legal acts necessary and requisite for application of such reissue, extension or division and the procuring thereof, but at the expense of Assignee, its successors, assigns or other legal representatives.

We hereby further covenant and agree that we will at any time, upon request, communicate to Assignee, its successors, assigns or other legal representatives, any facts relating to the said invention and Letters Patent, or to the history thereof known to us, and will testify to the same in any interference or litigation, when requested to do so.

We hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent covering said invention, or resulting from the aforesaid application to Assignee as the assignee of the entire right, title and interest in and to the said application and invention.

IN WITNESS WHEREOF, we have hereunto set our hand and seal on the date(s) given below.
