PATENT ASSIGNMENT

FOR VALUE RECEIVED, NORFOLK MEDICAL PRODUCTS, INC., an Illinois corporation ("Norfolk") and Michael J. Dalton, a resident of the State of Illinois ("Michael Dalton" and Norfolk hereinafter collectively referred to as the "Assignors"), hereby sell, assign, transfer and convey unto HORIZON MEDICAL PRODUCTS, INC., a Georgia corporation, its successors, assigns and legal representatives (hereinafter called the "Assignee"), the entire right, title and interest, for the United States and foreign countries, in and to certain inventions described in the patent documents listed on Exhibit A attached hereto.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration paid by Assignee, the receipt and sufficiency of which are hereby acknowledged, Assignors have sold, assigned, transferred and conveyed and by these presents do hereby sell, assign, transfer and convey unto Assignee, in and for the United States and its territories and for foreign countries, the entire right, title and interest in and to said application, in and to the invention therein set forth and in and to any patent which may issue on said application or any reissue, renewal, division, continuation or continuation-in-part thereof, or any other application that claims priority to this application; and hereby binds themselves, their heirs, legal representatives, administrators and assigns properly to execute without further consideration, any and all applications, petitions, oaths and assignments or other papers and instruments which may be necessary in order to carry into full force and effect the sale, assignment, transfer and conveyance hereby made or intended to be made.

AND we hereby consent that a copy of this Assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in the United States or any other country for any purpose.

AND we hereby covenant that we have the full right to convey the entire right, title and interest herein assigned and that we have not executed and will not execute any agreement in conflict herewith.

AND we hereby covenant and agree that we will communicate to said Assignee or nominees all facts known to us pertaining to said inventions, and testify in all legal proceedings, sign all lawful papers, execute all divisional, continuing and reissue applications or other applications claiming priority to any patent document listed on Exhibit A, make all rightful oaths and declarations and in general perform all lawful acts necessary or proper to aid said Assignee or nominees in maintaining and enforcing all lawful patent protection for said inventions which are described in patent documents listed on Exhibit A or any specification claiming priority to a patent document listed on Exhibit A in the United States or any other country.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this 2nd day of June,
1998.
