for a full description of which reference is hereby made to an application for Letters Patent of the United States, executed on July 29, 1998 and July 31, 1998 by said Assignors and identified as Case No. 367 P 246;

WHEREAS, Andrew Corporation, a corporation organized and existing under the laws of the State of Delaware, having a place of business at 1200A Greenbriar Drive, Addison, Illinois 60101, is desirous of acquiring the entire right, title and interest in and to said invention, to the application above identified, and in, to and under Letters Patent which may be obtained for said invention, and to other applications or patents covering said inventions, as hereinafter more fully set forth;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that, for valuable consideration, the receipt and

sufficiency of which is hereby acknowledged by said Assignors, the Assignors have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto the said Assignee, the entire right, title and interest for the United States in and to the invention and application hereinabove identified, and any Letters Patent of the United States that may issue for said invention, together with the entire right, title and interest in and to said invention and applications for Letters Patent and Letters Patent therefor in all countries foreign to the United States, including the right to claim priority under the International Convention for the Protection of Industrial Property and other agreements and treaties of like purpose; to have and to hold for the sole and exclusive use and benefit of the said Assignee, its successors and assigns, to the full end of the term or terms for which any and all of said Letters Patent for said invention may issue.

And the Assignors do hereby covenant and agree, for themselves and their legal representatives, that they will assist their said Assignee in the prosecution of any of the applications herein referred to; in the making and prosecution of any other applications for Letters Patent that the said Assignee may elect to make covering the invention herein referred to, including any divisional, continuation, or continuation-in-part application; or any application to reissue any patent referred to herein; in vesting in the said Assignee exclusive title in and to

all applications and Letters Patent referred to herein;
and in the prosecution of any interference or
infringement action which may arise involving said
invention or any claim thereto or thereunder, or any
application or Letters Patent herein referred to; and
they will execute and deliver to the said Assignee any
and all additional papers which may be requested by said
Assignee to vest title in said Assignee in the United
States and in countries foreign thereto, and will
otherwise fully carry out the terms of this agreement.

And the Commissioner of Patents and Trademarks is
hereby authorized and requested to issue Letters Patent
to the said Assignee in accordance with the terms of this
assignment.

IN TESTIMONY WHEREOF, the said Assignors have
hereunto set their hands and affixed their seals.
