patents granted on said applications to the full end of the terms for which said patents may be granted, and

WHEREAS, by a document titled "Assignment", executed October 15, 1996, David A. Bernard, an individual residing at 378 TERRACE ST., Ashland, Oregon, did sell and assign to Darex Corporation existing by virtue of the laws of the State of Oregon, and having an office at 220 E. Hersey Street, P.O. Box 227, Ashland, Oregon 97520, his entire right, title and interest:

(1) in and to an invention entitled DRILL SHARPENING DEVICE, as described in an application for Design Patent of the United States, U.S. Serial No. 29/056,845, filed July 10, 1996;

(2) in and to said U.S. application, in and to all other applications for Design Patent of the United States (including divisional, continuation, substitute, and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including extension and reissues, if any, to the full end of the term or terms for which said patents may be granted; and

(3) in and to all applications for patents on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted, and

WHEREAS, it was not the intention of David A. Bernard, nor of Darex Corporation, that such right, title

and interest in said applications and patents issuing thereon were to be assigned by David A. Bernard to Darex Corporation and that Darex Corporation and David A. Bernard wish to properly restore title to David A. Bernard as though said assignments to Darex had not been made;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, receipt of which is hereby acknowledged, DAREX CORPORATION has sold, assigned, and conveyed, and does hereby sell, assign and convey unto David A. Bernard, nunc pro tunc its entire right title and interest:

(1) in and to an invention entitled PRECISION DRILL SHARPENER AND GRINDING WHEEL ASSEMBLY THEREFOR, as described in an application for Letters Patent of the United States, U.S. Serial No. 08/675,881, filed July 5, 1996;

(2) in and to said U.S. application, in and to all other applications for Letters Patent of the United States (including divisional, continuation, substitute, and reissue applications) based upon said invention, including application Serial No. 08/946,736, filed October 8, 1997, as a continuation of application Serial No. 08/675,881, and in and to the patent or patents to be granted thereon, including extension and reissues, if any, to the full end of the term or terms for which said patents may be granted;

(3) in and to all applications for patents on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) in and to an invention entitled DRILL SHARPENING DEVICE, as described in an application for Design Patent of the United States, U.S. Serial No. 29/056,845, now U.S. Design Patent No. D385,567, issued October 28, 1997, and in and to said application and patent.

Darex hereby covenants and agrees that it will, upon request of David A. Bernard, his successors, heirs, or assigns, and without further consideration:

- I. execute any and all papers deemed necessary by David A. Bernard, his successors, heirs or assigns, to fulfill the intent and purpose of this agreement, and
- II. provide David A. Bernard, his successors, heirs or assigns, with all pertinent facts and documents relating to said invention or said application and will testify as to the same in any judicial or other proceeding related thereto;

it being understood that any expense incident to such activities shall be paid by David A. Bernard, his successors, heirs or assigns and not by Darex,

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue any such patent assigned herein to David A. Bernard, his successors, heirs or assigns, as the assignee of Darex's entire right, title, and interest herein.
