## ASSIGNMENT

In consideration of the sum of one dollar and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I, WOLFGANG WEBER, of 27 Erieview Road, Leamington, Ontario N8H 4E8, confirm that I do hereby sell, assign and transfer unto KVT TECHNOLOGIES INC., hereinafter called the Assignee, whose full post office address is 2199 Blackacre Drive, Oldcastle, Ontario NOR 1L0, and to the Assignee's successors, assigns, nominees or other legal representatives, my entire right, title, interest, property and benefit for Canada, the United States of America and all other countries, in and to my invention relating to a **HOT PLATE WELDER WITH PIVOTABLY MOVABLE CARRIAGE UNIT** as fully set forth and described in the application for Letters Patent in the United States Patent Office, filed on October 27, 1994, and allotted serial no. 330,843, together with my entire right, title, interest, property and benefit for Canada, the United States of America and all other countries, in and to the aforementioned application, any foreign applications corresponding thereto and any Letters Patent which may issue for the invention from such applications including, without limitation, those patents and patent applications identified in Schedule "A" hereto, and including all divisions, continuations, continuations-in-part, re-examinations, reissues and extensions, and any rights of priority resulting from the filing of the above-identified application under international conventions, treaties or otherwise, the same to be held and enjoyed as fully and exclusively as they would have been by me had this sale, assignment and transfer not been made;

I hereby authorize any official whose duty it is to grant patents, to grant any Letters Patent for the invention to the Assignee, and to its successors, assigns, nominees or other legal representatives;

To hereby covenant and agree, for myself and for my heirs, executors and administrators, to do all such things and to execute and deliver without further consideration such further assurances, applications, instruments, assignments and other documents as may reasonably be required by the Assignee to obtain Letters Patent in Canada, the United States of America and all other countries, for the invention, and vest or secure the same in the Assignee;

I warrant that I know of no other inventor of the invention and I have not previously transferred, granted or conveyed any right, title or interest in the invention, by law or otherwise, to anyone other than the Assignee;

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of Assignee, its successors, assigns and nominees to claim the aforesaid benefit of the right of priority provided by any international conventions, treaties or otherwise.

In witness whereof, I have hereunto signed my name on the day and year set forth below.

Signed at Essex, in the Province of Ontario, Canada this 28<sup>th</sup> day of July,  
1998.
