ASSIGNMENT of PATENT APPLICATION

In consideration of One Dollar (\$1.00) and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, I/we the undersigned KEITH D. BEATY, CURTIS E. JANSEN, DAN PAUL ROGERS of West Palm Beach, Florida, jointly and severally, do hereby sell, assign and transfer to Implant Innovations, Inc., a Florida Corporation, having its principal place of business at 3071 Continental Drive, West Palm Beach, Florida 33407 and to its successors, assigns and legal representatives, all hereinafter the ASSIGNEE, my/our entire right, title and interest for the United States of America and all foreign countries in and to any and all inventions which are disclosed and/or claimed in my/our application for United States Letters Patent entitled SELF-INDEXING TRANSFER IMPRESSION COPING which was executed 03/08, 1995 and which accompanies this assignment, and in and to said application and all divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on or for any of said inventions, and in and to all original and reissue patents which have been or shall be issued or granted in the United States and all foreign countries on or for any of said inventions, including the right to apply for patents in my/our or its own name in each foreign country and all right to priority.

THE ASSIGNEE is hereby granted and shall have the continuing right to apply for and to receive Letters Patent for said inventions in its own name and, when requested, without charge to but at the expense of the ASSIGNEE, I/we promise to carry out in good faith the intent and purpose of this assignment by executing all divisional, continuing, substitute, renewal, reissue and all other patent applications on or for any and all said inventions, by executing all rightful oaths or declarations, assignments, powers of attorney and other papers requested in connection with any such application or Letters Patent resulting therefrom, by communicating to the ASSIGNEE all facts known to me or us relating to said inventions, as the ASSIGNEE may reasonably request for aiding the ASSIGNEE to secure for itself title to said inventions, applications and patents. I/we hereby request the Commissioner of Patents and Trademarks to issue said United States Letters Patent to the ASSIGNEE.

I/we hereby covenant with the ASSIGNEE that no assignment, grant, mortgage, license or other agreement or impediment exists affecting the rights and properties, or any of them, herein conveyed, or has been made to others by me or

us, and that the full right to convey the same as herein expressed is possessed by me or us.
