

ASSIGNMENT

This Assignment made on July 2nd, 1998, by
Albert G. Gurries, II of Reno, Nevada and Sam T. Hong of Sparks, Nevada,
Assignors, to Haws Company, a Nevada corporation, Assignee, having a
place of business at 1455 Kleppe Lane, Sparks, Nevada 89431.

WHEREAS, Assignors have invented a new and useful
FREEZEPROOF VALVE ASSEMBLY FOR A DRINKING FOUNTAIN, for
which an application for United States Letters Patent has been executed by
them this day; and

WHEREAS, Assignors believe themselves to be the original,
first and joint inventors of the invention disclosed and claimed in said
application for Letters Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable
assignment the entire right, title and interest in and to said invention, said
application and any Letters Patent that may be granted for said invention in
the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of Ten Dollars
(\$10.00) and of other good and valuable consideration, the receipt and
sufficiency of which are hereby acknowledged, Assignors hereby sell, assign
and transfer to Assignee, the entire right, title and interest in and to said
invention, said application and any Letters Patent that may be granted for
said invention in the United States and throughout the world, including the
right to file foreign applications directly in the name of the Assignee and to
claim for any such foreign applications any priority rights to which such
applications are entitled under international conventions, treaties or
otherwise.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said invention, said application and any Letters Patent granted for said invention in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignors have executed this Assignment on the date first above written.
