ASSIGNMENT AND AGREEMENT

For value received, **We**,

JAMES T. LAGROTTA, of **Boonton, Morris County**, and
RICHARD T. LAGROTTA of **Livingston, Essex County**, both in the State of **New Jersey**, hereby sell, assign and transfer to

LUCENT TECHNOLOGIES INC., a corporation of **Delaware** having an office at **600 Mountain Ave, P.O. Box 636, Murray Hill, NJ 07974-0636, U.S.A.**, and its successors, assigns and legal representatives, hereinafter collectively **Lucent Technologies Inc.**, the entire right, title and interest, for the United States of America, in and to certain inventions related to

ESD SYSTEM

described in an application for Letters Patent of the United States, executed by **us** of even date herewith, and all rights and privileges in said application and under any all Letters Patent that may be granted in the United States for said inventions; and **we** also concurrently hereby sell, assign and transfer to **Lucent Technologies Inc.** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize **Lucent Technologies Inc.** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions without further authorization from **us**, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **Lucent Technologies Inc.** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents issued for said inventions in the United States and in all countries foreign to the United States be issued to **Lucent Technologies Inc.**, or to such nominees as they may designate.

We agree that, when requested **we** shall, without charge to **Lucent Technologies Inc.**, but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents or other forms of protection.
